

What is Healthy Coffee?

Gano Brand Coffee is a delicious and healthy line of beverages containing Ganoderma Lucidum (Red Mushroom). These prized mushrooms have a history that dates back more than 4,000 years. Ancient generations realized Ganoderma provided them more vigor and energy, while reducing fatigue. Ganoderma is said to be more powerful than Ginseng! Discover the benefits of our amazing and extremely delicious Ganoderma products for yourself. All of our beverages come in individual single serving packets. Low acid content. Just add hot water and enjoy!

Make Gano Brand Coffee Your Healthy Coffee For Life!

Ganoderma has been shown to help:

- Provide more energy.
- Reduce fatigue.
- Promote mental alertness.
- Make you feel young and vibrant.
- Improve the body's immune system.
- Promote a good night's sleep.
